Select your download:	<input type="button" value="PREMIUM"/>	<input type="button" value="Free"/>

2º – Aguarde alguns minutos, como mostrado na imagem abaixo:

The screenshot shows the RapidShare website. At the top is the logo with a globe and the text "RAPIDSHARE THE EASY WAY TO SHARE YOUR FILES". Below the logo is a navigation menu with links: Home, News, Premium zone, Free zone, Rapid Tools, FAQ, Support, Banners, Imprint, and Security information. The main content area has a heading "The future of 1-Click web hosting". Below this, there is a message: "You want to download a file. Please scroll down to proceed. We host your files for free! [Click here to upload files.](#)" followed by "Upload-Limit: **Unlimited!** (Max. **100 MB** per file! Split-Archives allowed!)". A paragraph states: "With **170 Gigabit/s** of Internet connectivity and 4 Petabytes of storage, RapidShare is one of the biggest and fastest web hosters world wide." There are two sub-sections: "1-Click web hosting for free" and "Professional web hosting". At the bottom, it says "You have requested" followed by "Download ticket reserved. In **1.0 minutes** your download will be ready. Avoid the need for download tickets by using a PREMIUM account. **Instant access!**"

3º – Selecione o servidor de seu preferência ou deixe marcado o que está.
